

## CONSENT TO ACCESS

The purpose of this Consent to Access is for the U.S. Environmental Protection Agency (EPA) to obtain access to my property located at:

**Address of Property:** Boin Arts and Crafts, 91 Morris Street

Morristown, NJ 07960

**Block and Lot No.:** Block 4801, Lot 12

I understand that the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601 et seq. (the Superfund Law), authorizes EPA and its representatives to enter and obtain samples at any property where entry is needed to determine the need for a response action under the Superfund law.

I understand that EPA, acting through Weston Solutions, Inc., will collect samples on my property to identify the existence and extent of a release of hazardous substances or threat of a release of hazardous substances.

I consent to employees and authorized agents of EPA and/or Weston Solutions, Inc. to enter onto and move about all outdoor areas of my property in order to perform any or all of the work described below:

1. Install sampling probe into the soil to collect soil vapor samples.
2. Upon completion of the activities described in #1, EPA will restore surfaces by filling and repairing holes it has made on my property.

I, the undersigned, am the owner of the property identified above or am authorized to represent the owner of the property.
